In our exercises which were held in Grange Hall at two o'clock, we departed from our usual custom and held them on May 30th. There was an unusually interesting program by the school children, who, under the direction of their teachers decorated the hall in a most appropriate manner.

Judge O. L. Young of Laconia, was speaker of the day and spoke in a most feeling manner of the sacrifices and suffering of the soldiers of all wars, with a special tribute to the few remaining of the war of '61 and the large body of World War veterans.

Brownsett's Orchestra furnished music and Rev. Mr. Cleaves of the local church offered prayer.

The committee feel most grateful to Judge Young, who refused to take pay for his splendid service.

For support of elementary schools

\$5 per \$1,000 on 1925 valuation

Per Capita Tax	120 00

TOWN OF CENTER HARBOR

REPORT OF SCHOOL BOARD

To the Taxpayers and Citizens of Center Harbor:

It is pleasing to be able to report another year of successful school administration and we invite your careful study of Supt. Small's report. (This is his first full year as superintendent). As we intimated in our report last year we expected to see our schools improve. We believe much has been accomplished under his supervision.

Your Board has held meetings nearly every month, receiving reports from Supt. Small pertaining to school work.

Owing to a decrease in the valuation in town our school money will decrease about \$1,000.00. In view of this fact the Board feels called upon to ask you for at least \$300 for repairs.

The Town House school house needs painting both outside and in and other minor repairs to put it on par with the other houses. Both the West Center Harbor and Village houses are constantly in need of slight repairs. We are asking for this amount after carefully going over last year's repair accounts.

The Board again desires to express its thanks to the teachers, parents and citizens for their cooperation during the year past.

Respectfully submitted,

GEO. A. SIMPSON,
MYRA LILLIAN HANSON,
FRED E. WEBSTER,
School Board.

TOWN OF CENTER HARBOR

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Center Harbor :

The report last year dealt with attendance and tardiness, and I wish to call your special attention this year to the attendance tables.

A school's percentage of attendance may drop for a month or two because of unavoidable conditions, such as sickness, or very bad travelling, but a large number of tardy marks is an indication of slackness somewhere. It is not so much what a child misses in the few moments lost by tardiness as it is the loss of morale and the weakening of habits of punctuality and attention to duty.

How to make good citizens out of the boys and girls is a real problem and it cannot be solved entirely at school. Children are being educated for weal or woe all of their waking hours so that parents and even the community at large have a share and a responsibility in the product.

The Village School had 122 cases of tardiness last year which to be sure was a decrease of 74, but the number even then was at least nearly four times as large as it should have been.

Home duties, chores and work to a reasonable amount are good educational training, but the parent who permits his child to start his work too late, or to dally along so that he is late to school, makes his own work harder, injures the child, and hurts the whole school.

TOWN OF CENTER HARBOR

For so small a town, Center Harbor sends a good number of students to secondary schools. This is complimentary to the town and its schools, for where the interest in education is slight and the schools poor, there is little desire to continue beyond the compulsory limit.

The town is fortunate in having a committee so wholeheartedly interested in the welfare of the children and at the same time so careful that value is received for every penny expended.

Health Inspection

The school physician, Dr. Leonard B. Morrill, inspected the schools early in the fall and found the following conditions:

Defective vision	8
Defective teeth	15
Hypertrophied tonsils	10
Orthopedic defects	1
Defects of breathing	1

TOWN OF CENTER HARBOR

At West Center Harbor and the Town House the teeth were in exceptionally good condition. Thirteen of the fifteen cases of defective teeth were at the village. It is expected that a dental clinic this winter will greatly improve this condition.

Costs

Center Harbor spends a little above the median of the state per pupil in average membership.

Two hundred and twenty nine of the 252 districts in the state tax themselves more per \$1000 of equalized valuation for public education than does Center Harbor.

Respectfully submitted,

ERNEST W. SMALL,

District Superintendent of Schools.
